MESA PROVING GROUNDS
Rezoning Application
Citizen Participation Plan

I. Introduction

DMB Mesa Proving Grounds LLC, a Delaware limited liability company ("DMB"), is the owner of approximately 3,200 acres of land located at the southeast corner of Elliot and Ellsworth Roads ("Mesa Proving Grounds" or the "Property"). The Flood Control District of Maricopa County ("FCDMC") is the owner of approximately ten (10) acres of land located along the Ray Road alignment between Ellsworth and Signal Butte Roads (the "FCDMC Parcel").

Mesa Proving Grounds[1] is located in unincorporated Maricopa County and is designated as a General Plan Development Area in the Maricopa County Comprehensive Plan. The Property is located adjacent to the municipal boundaries and within the planning area of the City of Mesa (the "City"). DMB proposes to develop Mesa Proving Grounds and the FCDMC Parcel as a mixed-use community with the integration of a variety of employment, commercial, residential, recreational and open space uses. In order to do this, DMB has submitted an application to rezone the Mesa Proving Grounds from Rural-43 with a Special Use Permit for a proving ground (Maricopa County zoning), to the Planned Community District ("PCD") (the "Rezoning Request"). Additionally, DMB has proposed to annex the Property concurrently with the Rezoning Request.

II. Background

In addition to the Rezoning Request, DMB has requested approval of a major amendment to the Mesa 2025 General Plan (the "General Plan") to amend the General Plan Land Use Plan to place the Mixed-Use/Community land use designation on the Property (the "GPA Request"). In connection with the GPA Request, in 2007 DMB commenced an extensive outreach effort with surrounding property owners, residents, business owners, homeowner associations and other potentially impacted and interested parties in the area (collectively, the "Interested Parties"). The outreach effort included discussion about the Rezoning Request.

As part of the outreach effort and in conjunction with City staff, a notification list has been created for property owners located within the area bounded by Meridian Road to the east, the power line corridor to the north, Sossaman Road to the west and Pecos Road to the south as depicted on the map attached at ***Tab 1***. In addition, all registered homeowners associations and major businesses within the area bounded by Baseline Road to the north, Power Road to the west, Germann Road to the south and Meridian Road to the west, as depicted on the map

[1] Any references herein to Mesa Proving Grounds or the Property include the FCDMC Parcel.

attached at ***Tab 2***, are included in the notification area. Collectively, these lists of property owners, registered homeowners associations, businesses and any other parties who have requested information on the GPA Request or Rezoning Request compile and are referred to as the "Notification List." A copy of the Notification List is attached at ***Tab 3***, which includes almost 4,280 names.

III. Citizen Participation Plan

The purpose of the Citizen Review Plan is to describe the steps DMB has already undertaken and intends to continue to inform the Interested Parties and those on the Notification List of the Rezoning Request. DMB will communicate with the Interested Parties in the following manners: post signs on the Property regarding hearings, verbal and written communication, open houses, presentation, one-on-one meetings, and via the Mesa Proving Grounds website.

A. Posted Notices

In order to inform Interested Parties and those on the Notification List of the Rezoning Request, notices will be posted on the Property in advance of all public hearings. The signs to be posted will include the hearing dates, times, locations and contact information, as well as any other message required by the City.

B. Mailings

Letters of invite will be mailed to all persons and entities on the Notification List prior to the scheduled neighborhood meeting. Approximately 4,280 property owners and interested parties are on the Notification List. The mailings will include information on the Rezoning Request and contact information so that concerns and questions can be addressed and answered. A sample letter informing Interested Parties of an open house meeting is attached at ***Tab 4***. In addition, follow-up verbal and written communications will occur as necessary to keep all Interested Parties informed on the project.

C. Neighborhood Meetings

DMB will conduct one neighborhood meeting for the Rezoning Request in conjunction with an open house for the GPA Request in June 2008. In addition, DMB has discussed the Rezoning Request at two (2) series of previous neighborhood meetings held in conjunction with the GPA Request.

D. HOA Presentations

In conjunction with the GPA Request, DMB has already conducted numerous presentations to neighboring homeowners associations ("HOA") and met individually with HOA board members. DMB will continue to reach out to the HOAs in conjunction with the Rezoning Request.

E. Website

In addition to the mailings and neighborhood meeting, DMB has created a website, available to the public twenty-four (24) hours a day with information on the project. The website, located at www.dmbmesaprovinggrounds.com, has been operational since July 18, 2007. This web site helps ensure that the public has an adequate opportunity to learn about the project. The web site will also provide for an additional avenue for communication by allowing the public to email DMB directly with questions and/or concerns.

F. Neighborhood Representative

In addition to the foregoing avenues of communication, DMB has retained a project development liaison that is knowledgeable on the project and available to meet with individuals one-on-one and in smaller groups.

IV. Ongoing Communication

An important element of the Citizen Participation Plan is to understand and address issues, concerns and/or questions that Interested Parties and those on the Notification List may have relative to the development of the Property. DMB intends for communications to occur throughout the entitlement process in order to ensure that all parties will have an opportunity to learn about the Rezoning Request and express any issues or concerns.

V. Contact Information

Contact information for the Request is as follows:

Jill Kusy, ACIP
DMB Associates, Inc.
7600 E. Doubletree Ranch Road, Suite 300
Scottsdale, AZ 85258
Phone: 480-367-7322
Email: jkusy@dmbinc.com

Shelly McTee, Esq.
Gallagher & Kennedy, P.A.
2575 East Camelback Road, Suite 1100
Phoenix, Arizona 85016
Phone: 602-530-8232
Email: shelly.mctee@gknet.com

Kathleen Donahoe
Project Development Liaison
Phone: 602-617-1951
Email: tbdon@aol.com

VI. Summary

As set forth above, DMB understands the importance of early and on-going communication with Interested Parties as it processes the Rezoning Request. Accordingly, DMB commenced the outreach effort for the Mesa Proving Grounds project in the summer 2007 and will continue the outreach effort throughout the entitlement process. In conjunction with the Rezoning Request, DMB will submit a Citizen Participation Report and updates as appropriate that will provide a comprehensive overview of all citizen outreach efforts.

RE: Mesa Proving Grounds

Dear Shelly:

As you are aware, in 2006 DMB Mesa Proving Grounds LLC, an affiliate of Arizona's DMB Associates, Inc. (DMB), purchased 3,200 acres of the General Motors Desert Proving Grounds, located at the southeast corner of Elliot and Ellsworth Roads in Maricopa County. The site is now commonly referred to as Mesa Proving Grounds. Beginning in 2007 and continuing this year, we have conducted several community meetings and forums to determine the aspirations of the community relative to the development of this area. This information and input has been very helpful as we have worked with our planning team to envision what the Mesa Proving Grounds can become.

An application to amend the City's General Plan to place the Mixed-Use/Community land use designation on Mesa Proving Grounds was filed with the City in January. Additionally, the Arizona State Land Department has given DMB permission to request an amendment to the General Plan to place the Mixed-Use/Community land use designation on approximately 434 acres of its land located at the intersection of Loop 202 and Elliot Road, adjacent to Mesa Proving Grounds (ASLD Property). DMB will process a single application to amend the General Plan on these properties. Additionally, a request will be made in the next couple of months to rezone Mesa Proving Grounds and the ASLD Property to the Planned Community District. These designations will allow Mesa Proving Grounds and the ASLD Property to be planned and developed as a cohesive, mixed use community.

In order to keep the community informed on our progress, the City requires a series of four (4) open houses for this type of request. We hosted open houses in December 2007 and in February 2008. The next series of open houses has been scheduled and will be another opportunity for us to provide updates to neighbors and stakeholders. **The open houses will be held in the cafeteria of Desert Ridge High School which is located at 10045 East Madero in Mesa.** Desert Ridge High School is located on Crismon Road, between Baseline and Guadalupe. The schedule for the open houses is as follows:

Saturday, March 8, 2008, 8:30 am to 10:30 am

Wednesday, March 12, 2008, 5:00 pm to 7:00 pm

Both open houses will be conducted in the same format and will include the same information. In order to accommodate as many schedules as possible, the open houses will be held on different days and times of the week. If you are able to attend one of the open houses, please RSVP online at www.dmbmesaprovinggrounds.com or by calling (480) 367-7631 at least two (2) days prior to the open house you plan to attend. In the event you are not able to attend one of these open houses and would like additional information regarding the project, you may either visit the web site www.dmbmesaprovinggrounds.com or contact Kathleen Donahoe at (602) 617-1951 or via e-mail at tbdon@aol.com.

Thank you for your support and interest.

Respectfully,

John L. Bradley

John Bradley, General Manager
