

City Council Report

Date: April 9, 2009
To: City Council
Through: Christopher J. Brady, City Manager
From: Linda Crocker, City Clerk
Subject: Schedule of Fees and Charges

Purpose and Recommendation

The purpose of this report is to provide the City Council with proposed changes to the City Code Book fees charged by the City Clerk's Office. It is recommended that the fee for a Code Book with a one-year supplement and the fees for annual supplements and binder replacements be eliminated from the City's Schedule of Fees and Charges.

Background

The City Clerk's Office maintains the City Code Book and codifies all applicable ordinances. In the past, supplements (updates) to the Code Book were created and hard copies of those supplements were distributed to a list of recipients.

As a cost cutting measure during the budget process for FY 2008-2009, and with the concurrence of the City Manager, hard copies of the Code Book were eliminated. The Code Book is available on the City's website in both Word and PDF formats. Newly adopted ordinances are identified online (in red) until codified. Those wishing to review the Code Book may do so online or may visit the City Clerk's Office where a hard copy of the current book is available for review.

Discussion

Since August 2007, no hard copies have been provided or sold. Quarterly updates are e-mailed to internal and external recipients who may print their own copies as needed.

With the elimination of a hard copy version of the Code Book, the need for a charge has also been eliminated.

Alternatives

ELIMINATE CODE BOOK CHARGES FROM THE SCHEDULE OF FEES AND CHARGES. This is the alternative recommended by the City Clerk. It will bring the Schedule of Fees and Charges in line with current practice.

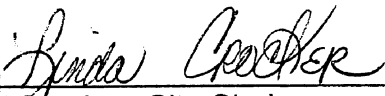

TAKE NO ACTION. This would result in the existing Code Book fees remaining in the Schedule of Fees and Charges despite the fact that our office does not have any subscribers requesting hard copies since the Code Book and supplements were made available online (both in word and PDF formats).

Fiscal Impact

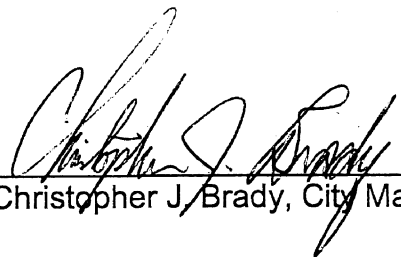

There is no fiscal impact.

Coordinated With

The City Clerk's Office has been working with Budget and Research in the proposed elimination of these fees.
