**Review and discuss park rules regarding dogs**

Dale Furnas told the Board that a letter had been received from the Mayor's office regarding allowing dogs in all of Mesa's parks. The Mayor's office has asked Parks, Recreation and Commercial Facilities (PRCF) staff to bring this issue to the Parks Board and get a recommendation from them about this topic.

Ms. Furnas gave the Board information regarding dogs in parks. She shared statistics from the Humane Society regarding dog ownership in the U.S., local trends regarding dogs in parks, which included park rules for Tempe, Gilbert, Phoenix, & Scottsdale. She also shared national trends, including ordinances from Pennsylvania, Anchorage Alaska, and Santa Cruz & San Mateo California. She gave the PRCF maintenance and park ranger staff's perspective, which included both issues and opportunities associated with dogs in parks.

A lengthy discussion followed after which the Board agreed to form a subcommittee of Board and staff members who will meet and discuss the issue and make a recommendation at the May 13, 2009 meeting. Russ Gillard, Frank Alger and David Martinez were assigned to sit on the subcommittee.

## **Update on Park of the Canals**

Andrea Moore told the Board about KABOOM, a non-profit organization that runs a community builds program for playground construction. She explained that Bert Millett, a resident from the Park of the Canals area, has been trying to generate support to put the playground back in the park. KABOOM approached the City and said they are considering the site for a community build and a grant to fund purchasing the equipment. She added that Mr. Millett had already raised \$10,000 and that the funding partner would pay \$100,000 for the remainder of the expense. The Foundation for Mesa Parks and Recreation would be the grant recipient and the City will maintain the area after it is in place. If Mesa is selected, kids and parents will design the playground. She told the Board that May 28<sup>th</sup> there would be 425 volunteers at the park installing the playground.
