

LandingPad Program Overview:

The **LandingPad** program is a flexible program designed for entrepreneurs interested in being located at LaunchPoint but not ready for professional consulting assistance. The **LandingPad** program will provide clients with access to the LaunchPoint facility and most of the LaunchPoint services.

LandingPad is a great way to connect to LaunchPoint and build your business!

What's included in the LandingPad program?

- Semi-Private office space with flexible terms
- Access to LaunchPoint's Mentorship Network
- Coordination with Public & Private Partners like Arizona Commerce Authority, the Small Business Development Corporation, and the Greater Phoenix Economic Council.
- Access to Arizona State University facilities and students
- Access to Meeting/Conference Room Space
- Printer/Copier/Scanner
- Limited Storage Space
- Internet/Data Service
