

MESA FIRE DEPARTMENT

Fire & Life Safety Education

The prevention of fires and injuries is accomplished through a variety of programs offered by the Fire and Life Safety Education Section of the Mesa Fire Department.

PUBLIC EDUCATION REQUESTS

Fire crews can provide station tours to groups as well as attend approved public events. For more details call (480) 644-2200.

SCHOOL PROGRAM

Mesa elementary school students participate in a comprehensive injury prevention program focusing on the eight risk areas shown to be the leading cause of death and injury to children. Call (480) 644-2508.

CPR CERTIFICATION CLASS

This is a four-hour CPR certification course (community/workplace level) that will teach you life saving skills. Course fee is \$25. Call (480) 644-2294.

LIFESAVER PROGRAM

Learn basic first aid skills during this two-hour non certification class. The class is free to Mesa residents and teaches the basics of managing emergencies (familiarity with the 9-1-1 system and fire department, basic first aid, abdominal thrusts, and CPR). Call (480) 644-2294.

FIRESETTER PROGRAM

Educational intervention classes are provided to families experiencing problems with firesetting. The program offers two classes in which the child learns the dangers and consequences of firesetting. Call (480) 644-2508. Also offered in Spanish, call (480) 644-5620.

SAFE BABYSITTING PROGRAM

This free class is available to groups wanting to learn more about the importance of safe babysitting. This course is available to participants 12 years of age and older. Call (480) 644-2508.

CAR SEAT SAFETY PROGRAM

Certified car seat technicians will assist parents in the installation of their own child safety seat. This service is by appointment only. Call (480) 644-2200 for assistance in English or (480) 644-4208 for Spanish.

FAMILIAS VIAJANDO A SEGURIDAD FAMILIES TRAVELING TO SAFETY

This is a bilingual (Spanish/English) program offered to all parents and preschoolers enrolled in the Mesa Public School District's Family Tree Program. Some Mesa Head Start, Mesa Early Learning Program, ELAD, and Toyota Family Literacy sites participate. Call (480) 644-3476.

HOME SAFETY INSPECTION PROGRAM

The Home Safety Inspection Program offers free home safety checks to all Mesa residents. The program's goal is to reduce home risks, connect residents to community resources, and other assistance as needed. Trained volunteers test and install smoke alarms and educate on injury prevention within the home. Call (480) 644-2508 for English and (480) 644-4928 for Spanish.

WATER SAFETY PROGRAM

The Fire and Life Safety Education office implements and participates in various water safety events including: Walk for Water Safety, April Pool's Day, Pachanga en la Piscina, Aqua Mania, and Water Safety Day. These events are aimed at reducing the occurrence of drowning/water related incidents. Drowning prevention classes are also available to groups and organizations. Call (480) 644-2294.

SENIOR SAFETY PROGRAM

Seniors can request a group safety presentation. Program topics include: fire prevention, fall prevention, oxygen safety, fire extinguisher safety, and others by request. Call (480) 644-2508 to request an English safety presentation or (480) 644-4928 for a Spanish presentation.

DEPARTAMENTO DE BOMBEROS DE MESA

Educación de Seguridad de Incendio y Vida

La prevención de incendios y heridas es lograda por una variedad de programas que se ofrecen por la Sección de Educación de Seguridad de Incendio y Vida del Departamento de Bomberos de Mesa.

PEDIDAS DE EDUCACIÓN PUBLICA

Los bomberos pueden mostrar la estación a grupos y asistir a eventos públicos aprobados.

PROGRAMA DE INCENDIARIO JUVENIL

Clases de intervención están provenientes a las familias teniendo problemas con los niños causando incendios. El programa ofrece dos clases en cual el niño aprende los peligros y consecuencias de incendiario juvenil.

PROGRAMA DE ASIENTOS DE SEGURIDAD

Técnicos certificados de los asientos de seguridad pueden asistir padres con la instalación de su propio asiento de seguridad. Se ofrecen únicamente por cita.

FAMILIAS VIAJANDO A SEGURIDAD

Este programa se ofrece a todos los padres y estudiantes preescolares en el programa Family Tree del Distrito de las Escuelas Públicas de Mesa. Participan unos sitios de Head Start, Mesa Early Learning Program, ELAD, y Toyota Family Literacy.

PROGRAMA DE INSPECCIÓN DE SEGURIDAD DE CASA

El programa ofrece inspecciones de seguridad de casa gratis a los residentes de Mesa. La meta del programa es reducir los riesgos de de la casa, intenta a conectar a los residentes con recursos, y asistencia adicional como es necesario. Voluntarios entrenados pueden inspeccionar e instalar alarmas de humo y educar en prevención de heridas en la casa.

PROGRAMA DE SEGURIDAD PARA MAYORES

Este programa ofrece a los mayores en grupo una presentación de seguridad. Los temas del programa que se ofrecen son: prevención de los incendios, prevención de las caídas, seguridad de oxígeno, seguridad del extinguidor de fuegos, y otros si alguien los pide.

TODOS LOS PROGRAMAS SE OFRECEN UNICAMENTE A LOS RESIDENTES DE MESA
