RECREATION / COMMUNITY USE

This rate will apply to **single** teams for practice use only. Use of both dugouts with opposing teams for organized scrimmages will be considered game use and charged appropriately. Practice and non-tournament game use will be scheduled only in coordination with other rentals programs or leagues. This guideline is used to maximize field space and better utilize City resources. Prior to Spring and Fall seasons an allocation process may be used to gauge rental interest. If there is not adequate interest to schedule enough usage to justify opening a facility, we will resort to taking practice reservations in our standard manner- which is by filling open fields during already-existing league or game reservations. Current users will be included in this process.

All rental fees must be paid in full prior to confirming of reservation.

All practice days and times will be scheduled based on the following.

- Red Mountain Baseball Complex Monday - Thursday
- Gene Autry Baseball Complex Monday - Thursday
- Practice Time Slots: 6:00–8:00p and 8:00-10:00p
- Practice rentals require payment in full at time of reservation.
