Family Violence Unit

Center Against Family Violence

This brochure provides information to you and your family on the Domestic Violence resources that are available through the Mesa Police Department 's Family Violence Unit located at the Center Against Family Violence .

We are Victim Services with the Center Against Family Violence of the Mesa Police Department. We follow up on situations which result in a person being a victim of Domestic Violence.

We would like to offer information and assistance to you and your family about:

- Case Disposition
- Order of Protection information/service.
- Safety planning.
- Free Counseling.
- Resources and Referrals.
- Crisis intervention/Support services.
- In home crisis intervention.
- Domestic Violence Education.
- 911 phone and recorder program.

Domestic Violence Detectives

- Detectives housed at each district specially trained in DV issues, laws and victimology.
- Responsible for reviewing DV cases and taking appropriate action as quickly as possible.
- Interact with other district officers to improve communication and response

FUNCTIONS

- Serve Orders of Protection
- Surveillance
- DV warrant arrests
- Liaison with patrol
- Patrol Training
- Victim and suspect education
- Assist other agencies
