Dollars in millions

### Notes:

1. FY 2020/21 year to date actuals are recorded in the financial system through October 28, 2021. FY 2020/21 has not yet closed yet as local sales tax is received in arrears.
2. FY 2021/22 Year to Date Actuals for Local Sales Tax are below FY 2020/21 due to receiving an additional week of revenues from the Arizona Department of Revenue in FY 2020/21.
3. FY 2021/22 Year to Date Actuals for State Sales Tax are high due to increased activity in the retail category.
4. Urban Revenue Sharing revenues are received with a two year lag. FY 2021/22 will be below FY 2020/21 as a result of postponing the tax filing deadline from April 15, 2020 to July 15, 2020, which moved these revenues from one fiscal year to the next.
5. FY 2021/22 Vehicle License Tax revenues are projected to decrease from FY 2020/21. Vehicle License Tax revenues were high in FY 2020/21 likely due to increased vehicle purchases and vehicle travel.
6. FY 2021/22 Year to Date Actuals for Other Revenues are above FY 2020/21 due to new intergovernmental agreements for Mesa to provide forensics services to the City of Tempe and the Town of Gilbert. The additional expenses for these forensics services are in the Police Department budget.
7. FY 2021/22 Other Transfers includes \$3.5M into the General Fund for pay-as-you-go infrastructure projects. Additionally in FY 2021/22, \$4M will be transferred in to the General Fund to cover costs related to the enterprise resource planning upgrade project. This \$4M was set aside from IT savings in prior fiscal years to help pay for the upgrade project. FY 2020/21 actuals were below budget due to shifting funding to projects in the General Capital Fund.
