Notes:

- **1.** Year to date actuals as recorded in the financial system.
- 2. FY 21/22 Year to Date Actuals for Local Sales Tax and State Sales Tax are high due to increased activity in the contracting category.
- **3.** Urban Revenue Sharing revenues are received with a two year lag. FY 21/22 is significantly lower than FY 22/23 as a result of the postponement of the tax filing deadline from April 15, 2020 to July 15, 2020, which moved these revenues from one fiscal year to the next.
- **4.** FY 22/23 Projected Other Revenues are anticipated to be below FY 21/22 due to a slowdown in residential building permits.
- **5.** FY 22/23 Other Transfers includes \$3.5M into the General Fund for pay-as-you-go infrastructure projects. In FY 21/22, \$4M was transferred to the General Fund to cover costs related to the enterprise resource planning upgrade project. This \$4M was set aside from IT savings in prior fiscal years to help pay for the upgrade project.
