Notes:

1. Year-to-date actuals as recorded in the financial system.
2. Urban Revenue Sharing revenues are received with a two year lag. FY 2023/24 is higher than FY 2022/23 as a result of increased individual and corporate income tax revenues in FY 2021/22.
3. The Other Revenues year-to-date actuals increase for FY 2023/24 is primarily driven by increased interest on investments due to higher interest rates and engineering inspection fees and charges.
