

## The 100 Year Difference

I have a unique situation.

I live with my dad in a house in Mesa that was built in 1920.

I live with my mom in a house in Mesa that was built 100 years later, in 2020.

Both houses are unique.

My dad's house has a big yard and lots of trees. The man who sold him the house said he planted one of the trees when he was a boy.

My moms house is new and  
we each have our own  
bathroom!

It's cool to be able to say I  
live in houses in both  
centuries!
