- Mixed
- Muscular
- Mind & Body

All Classes run 55 minutes unless stated

* = 45 Minute class

X = 30 Minute class

+ = Family fitness class (ages 8 & up)

As of May 28, 2026

Cardio

Back to Basics: a low impact aerobics class for the beginning/intermediate exerciser. Includes cardio and sculpting.

Zumba: a fun cardio class utilizing Latin/international music and Latin/international dance moves to burn calories and tone.

Zumba Gold: this class modifies the moves and pacing to suit the needs of the active older participant and those just beginning the Zumba journey. This is a fun class utilizing Latin music.

Step: moderate to high intensity, low to high impact step aerobics and body toning.

High Fitness: Based on traditional aerobics principles that create a steady-state cardio workout. Non-stop cardio + toning moves in easy to follow fitness choreography to music.

Muscular

Body Sculpt: an overall body workout using bars, weights, balls, etc. to tone and shape.

SilverSneakers: move through a variety of exercises designed to increase muscular strength, range of motion and skills required during activities for daily living. Handheld weights, tubing and ball are offered for resistance and chair used for seated or standing support.

Sculpting and Abs: a resistance training workout utilizing resist-a-balls, body bars, weights, and bands targeting the abs and more.

Mixed

Power Fit: improves power, muscular endurance, balance, and overall agility. Helps lower body fat by toning and conditioning the body for natural flexibility

Step, Cycle & Sculpt: 20-minute intermediate stepping, 20-minute cycling, 15-minute body sculpting. Time flies by in this class!

Step/Sculpt: is a heart pumping step aerobics routine combined with strength training intervals to give you a complete cardio & weights workout

Tabata: is a workout which will take you to the next level. Participants can expect to improve cardio fitness, decrease body fat and gain lean muscle. Tabata consists of 20 seconds of work and then 10 seconds of rest.

Cycling: is a fun exhilarating way to burn fat, increase strength and improve cardiovascular fitness. This class simulates hill-climbing, sprints, and jumps with motivating music.

Mind & Body

Yoga: focus on strength, flexibility, relaxation and breathing through traditional poses. Slow paced.

Pilates: improve your muscle balance, posture, core stability, spinal alignment, strength, flexibility and control of breath by use of Pilates-based mat exercises.

SilverSneakers Yoga: a variety of safe and fun yoga postures and healthy breathing. A chair is used for support. Participants work at their own pace to build flexibility and endurance.

Simply Stretch: Increase your flexibility, range of motion and balance through deep stretching and breathing.

Yoga Nidra: is a sleep-based meditation, designed to walk you down step-by-step using gentle body movement, breathing and body scanning to bring to the deepest level of relaxation.

Chakra Balancing Yoga: yoga class focusing on the 7 chakra energy centers

Stress Release Yoga: building skills with gentle yoga to help reduce stress and anxiety through breath, movement and centering.

Gong Meditation: release your stress from the week in this 55 minute meditation class. This class uses the sounds and vibrations of the gong to create deep relaxation and state of meditation.

Guided Sound Meditation: enjoy deep peace & relaxation with a guided meditation along with the sound of the gong. This class will also include other meditative sounds that can assist the body into a calm state.
