

Hometown Heroes Banners Frequently Asked Questions

Who can get a Hometown Heroes Banner?

Anyone who lives or works in Mesa can purchase a banner for a friend, family member, co-worker or anyone they know who served in the United States Armed Forces. The service member does not need to be a resident of Mesa.

How much does it cost to get a Hometown Heroes Banner?

The cost per banner is \$150. This includes production, installation, and removal. After the Banner is removed for the final time it is cleaned and given back to the service member or family member who purchased it.

Where are the banners displayed?

The banners are displayed on the light posts along Center Street between Main and University.

When are the banners displayed?

The banners are displayed for one week prior to Veteran's Day and one week afterward, then again the week prior to Memorial day and the week following.

Can I donate money to help Veteran's or families of Veteran's who are unable to purchase a banner to honor service men and women they may know?

Yes, as of right now you can donate the cost of a full banner or multiple banners by going to www.mesaaz.gov/heroes and using the paypal link near the bottom of the page. After your donation is complete, email the receipt to diversity.info@mesaaz.gov. We will give you tax donation receipt and also let you know which banner you helped sponsor once they are installed.

When Can I Purchase A Banner?

Anytime of the year! Due to limited space for banners, applications are taken in the order they are received, so get them quickly! If you miss the deadline for the upcoming year, you will be placed on the list for the subsequent year.
