This City of Mesa is issuing this Notice of Funding Availability (NOFA) for Program Year (PY) 2020-21. The following anticipated amounts will be available:

- **CDBG**: $2,983,590
- **ESG**: $288,990
- **HOME**: $1,220,635
- **Human Services**: $720,000

*Note: The HOME Housing Production application program is open year-round, and provides funding for For-Profit, Non-Profit, and Community Housing Development Organizations.*

Funding for the above-mentioned federal programs (CDBG, ESG, and HOME) are provided by the U.S. Department of Housing and Urban Development (HUD) and used for housing and community development activities that primarily benefit low- and moderate-income persons and assist in the prevention or elimination of slum or blighting influences.

Funding for the Human Services programs comes from the City’s general fund and the ABC program consisting of donations from the public made through their utility bill payments. These funds support programs and services that directly impact community safety services and encourage independence and self-sufficiency so that residents can fully realize economic and social opportunities.
