### Who may file a complaint?

Any person who witnesses or has direct knowledge of suspected misconduct may contact the Professional Standards Unit to initiate a complaint. It doesn't matter whether the person making the complaint was directly involved in the incident. Anonymous complaints will be taken. If you decide to remain anonymous, please ensure to provide information about the misconduct that can be proven by other evidence.

### How is a complaint filed?

Generally, complaints are filed through the supervisor of the involved employee. If the employee's supervisor is not known, the complaint may be filed with the Professional Standards Unit. A complaint may be filed in person, by telephone, fax, online form, or letter. A complaint may also be filed by printing and completing a copy of the Citizen Complaint Form [PDF] and mailing it in.

TELEPHONE:	480-644-2010
FAX:	480-644-5447

- Date, time, and location of the incident
