The Overview and Pre-Submittal Conferences are intended to provide applicants with information as they prepare submittals for the Planning and Zoning Board/Planning Hearing Officer and City Council, the Design Review Board, Annexation and the Subdivision Technical Review Committee. Two distinct conference types are available.

**Overview Conference (Optional)**
The intent of this conference is to provide information and guidance for property owners, developers and project designers who are considering developing within the City of Mesa. This conference provides an opportunity for applicants and staff to discuss planning and zoning issues related to conceptual development plans. Topics:

- Potential challenges including planning issues, neighborhood issues, general plan issues, general plan amendment recommendations, and zoning requirements
- Significant public infrastructure issues
- Site plans will not receive a fully in-depth review for compliance with Development Standards of the zoning codes.

A separate Standard Pre-Submittal Conference will be required before a Design Review Board application or Planning and Zoning Board application for site plan review or preliminary plat will be accepted.

**Standard Pre-Submittal Conference**
The intent of this conference is to provide information and guidance for property owners, developers and project designers as they prepare Planning and Zoning Board, Design Review Board and Subdivision Technical Review applications. The Standard Pre-Submittal report provides:

- A general outline of planning issues and potential problems, required rezoning, general plan amendment recommendations, administrative approval options
- Information about public hearing and meeting review processes
- Information about required infrastructure improvements, including street improvements/dedications, utility line extensions, retention requirements, solid waste requirements
- Links to online information - City Codes, Regulations, Guidelines and Standard Details

Comments will be preliminary in nature. Additional comments may be provided during staff review of the Planning and Zoning Board, Design Review Board and Subdivision Technical Review applications.

Applications can be made online at [www.mesaaz.gov/planning](http://www.mesaaz.gov/planning). Please see our How to Submit Pre-Submittal Application Guide for assistance with online submissions.

**Conference:** Conferences are held each Monday.

**Fee:** Fees & Charges

**Deadline:** Applications are processed each Monday. Overview and Pre-Submittal conferences typically occur three weeks later. Occasionally, reviews can take as long as six weeks. Refer to the attached checklists when preparing Overview and Pre-Submittal Applications. Applications will be screened for completeness. If all information identified on the checklist is submitted, the “Applicant” will be contacted to schedule a conference time.
Standard Pre-Submittal Checklist

Project Location/Address

Submittal Requirements - To assist staff prepare a complete response to your request, provide the following information:
