I, representing the above property and/or management company, request permission to begin our participation in the MESA POLICE DEPARTMENT B.A.A.T. (Businesses Against Auto Theft) PROGRAM.

In consideration for the use of the Mesa Police Department Bait Car signs posted on our property, we agree to the following requirements of the Mesa Police Department B.A.A.T. Program:

1. That actual Mesa Police Department "Bait Cars" may be placed upon the above listed property without notification to the property manager.
2. Should the property manager or other company official be informed of the placement of a Mesa Police Department bait car, its description and/or location should not be made available to any other employee unless specifically permitted by a Mesa Police Department Auto Theft Detective or representative thereof.
3. No guarantee is to be stated or implied that a property does or does not have bait cars placed upon it by virtue of this program alone.
4. The Mesa Police Department maintains all rights to possession and use of the bait car signs on our property though it is our responsibility to purchase and install these signs on our own.
