

Acronym	Definition	Revised November 2012		
B.C.	Brass Cap	<b>OVERVIEW</b>		
C.L.	Center Line	This City of Mesa benchmark information has been established to assist Architects, Engineers, Licensed Contractors and Registered Land Surveyors in standardization of public works design and construction within the City of Mesa's jurisdiction. The City of Mesa requires that all projects submitted for review be based on the City of Mesa benchmark datum and is providing the following benchmarks.		
Ch. Sq.	Chiseled Square			
Conc	Concrete			
D.W.	Drive Way			
Irr.	Irrigation			
J.U.P.	Joint Utility Pole	<b>DATA DISCLAIMER</b>		
PP	Power Pole	The benchmarks provided were correct at the time of measurement. The City of Mesa cannot guarantee the accuracy of the provided benchmarks due to destruction or duplication by others. The City of Mesa strongly recommends that elevations be verified between two City of Mesa benchmarks.		
Rd.	Road			
T.C.	Top of Curb	The City of Mesa Benchmark System is adjusted to the First Order National Geodetic Vertical Benchmark known as DU0654 located in Falcon Hill Park off of Jensen Street and east of Power Road in Mesa.
